

Greaves Suffers Flat Tire, Finishes 5th on Sunday at Crandon WSORR Round 11

Crandon, WI (Sunday, September 2, 2007) – Johnny Greaves continued an unlucky streak on Sunday and suffered a flat tire that ended his bid to run down a quick starting Carl Renezeder, who claimed the win.

“We seem to be having our share of issues out there this weekend but we are managing to finish and stay in the chase for the title,” stated a dejected Greaves. “The TRD boys have my truck running great and I know that I am going to put Monster Energy and Potawatomi out front if we can stop this bad luck streak.”

The 5th place finish puts Greaves leading the series by 14 points over Kent Brasho going into the final weekend in Wheatland, MO.
